**August 20-25<sup>th</sup>, 2019**  
**Huairou, Beijing**

**SDC INNOVATION MANAGEMENT are delighted to  
welcome scholars and PhD students to CICALICS 2019!**

The initiative of CICALICS (the China Innovation Circles and Academy – Learning, Innovation and Competence Systems) was built several years ago upon academia experience in Europe and North America. This year's event will be hosted by the Sino-Danish Center.

SDC is a partner in the CICALICS network together with Tsinghua University, Zhejiang University and other top universities in China. In the past, SDC hosted the CICALICS event twice, in 2013 and 2016. Now the right to host the event is coming back to SDC. This year we would like to put more emphasis on the role of collaboration and globalization in innovation and focus this year's CICALICS on the theme of:

**'GLOBAL COLLABORATIVE INNOVATION SYSTEMS –  
CURRENT TRENDS AND PROBING FOR THE FUTURE'**

**This year's event will be featuring:**
